

College of Arts and Sciences
Undergraduate Class of 2019
Career Plans Survey Report

Methodology

Career Services at the University of Pennsylvania annually surveys graduating students to provide a snapshot of their post-graduation plans.

This report looks at 1,552 College of Arts and Sciences undergraduates who received their degrees from August 2018–May 2019. Students were surveyed up to six months from their graduation date, with a 56% response rate. Additional information was then collected via LinkedIn and other sources, bringing the total **knowledge rate** up to **74%**, a total of 1,148 known graduate outcomes.

Sections

1. **Post-Graduation Plans**

Full-Time Employment

Hiring Timeline

478 responses

Graduates who **accepted offers before January** were primarily working in **early recruiting industries** like Finance, Consulting, and Technology.

Most other industries (Education, Entertainment, Government, Healthcare, Marketing, Non-Profits, etc.) **start hiring graduates in the spring semester.**

Offer Method

432 responses

42% of full-time opportunities were found through **Career Services.**

24% accepted return offers from a previous employer, primarily in **Financial Services.**

31% accepted offers from **On Campus Interviews** (through a previous employer or through OCI directly).

16% heard about the opportunity through **word of mouth** (via a connection at or outside of Penn).

Full-Time Employment
