

Hello College Class of 2022,

It is time to meet your pre-major and peer advisors! You will need to move through [Compass](#) to Module 4: "Summer Advising" and complete the first four steps in that module. Once you have completed these steps, you can log in to see the contact information for your pre-major and peer advisors.

Please make arrangements with your pre-major advisor to begin your advising conversations by phone, in-person or Skype. You will need to discuss your courses with your pre-major advisor before Advance Registration ends on July 13th in order to request courses for the fall.

If you have any questions, please contact your peer or pre-major advisor or you can call the College office at 215-898-6341.

We are looking forward to your arrival in August. Have a great summer!

Sincerely,

The College
