How to Find Different Types of Courses

Use the various Search features in Path@Penn to identify courses of interest as you explore and ultimately build your schedule requests.

**OPTION 01**

Do a simple search

At the top of the page, type in a title, subject, instructor, or keyword and click Search.

**OPTION 02**

Use the Advance Search option below Primary Cart to identify courses.

**Helpful Filters to Use**

**Subject**

Here, you can type in a particular academic department or program (ex: Sociology, Mathematics, etc.)

**Level**

**Undergraduate**

This will show only classes that count towards the Bachelor’s degree.

**Class Status:**

**Open Classes**

This will show only classes with open seats.
