How to Change Grade Modes or to take a Class Pass/Fail

College of Arts & Sciences
UNIVERSITY of PENNSYLVANIA

I want to change the grade mode of a class in my cart from Standard to Pass/Fail!

As a reminder, pass/fail courses cannot be used for General Education, major, or minor requirements. College students may take no more than 8 c.u. pass/fail, though the College generally recommends against this many.

---

1 From Path@Penn, click **Change Grade Mode** under *My Courses.*

2 Complete and **submit** the form with your updated grade mode preference.
