**Send out on October 1**

Dear **(advisee name)**:

Congrats on getting through your first month as a first-year student in the College—this is a big accomplishment! I hope your semester is going well so far. I just wanted to let you know that the drop deadline is coming up on October 7. This will be your **last chance to drop a class without having it appear on your transcript**. Before dropping a class, I would recommend you check in with your pre-major advisor.

It can sometimes be very difficult to adjust to the college workload. Here's one good place to find support on campus (<https://www.college.upenn.edu/advising-resources>) from advising, to wellness, to different kinds of academic resources (e.g. learning resources, tutoring, etc),

Remember - I am here to help! Don't hesitate to let me know if you have any questions or concerns.

Also, the Course and Major's Fair is coming up! It's a great way to explore different majors, opportunities for civic engagement, and fellowships. Representatives from over 50 different majors and resource centers will be there to introduce their programs and help answer any questions. The Course and Majors Fair will be on Wednesday, October 24, from 11:00 a.m. to 2:00 p.m. in the Hall of Flags (ground floor of Houston Hall).

Hope you have a great week and I look forward to hearing from you!

Your peer advisor,

**(Your name)**
