How to find General Education Requirements in the @Penn systems

1. See the General Education requirements on the College website and note the names of the different requirements.

   - Foundational Approaches
     - Writing
     - Foreign Language
     - Quantitative Data Analysis
     - Formal Reasoning and Analysis
     - Cross-Cultural Analysis

   - Cultural Diversity in the U.S.

   - POLICIES GOVERNING FOUNDATIONAL APPROACHES

2. Login to Path@Penn. Click on “Search & Register for classes.”

3. Click on “Login” in the upper right hand of the screen.

4. On the left-hand menu scroll down to Advanced Search.
5. Choose the Course Attribute search.

6. Search for a General Requirement you still need that you noted from the InTouch worksheet (e.g. Cultural Diversity in the US). You can simply type the name of the requirement and it should appear in the drop-down. Then click “Search.” To search for any Foundational Approach, type "FND" into the Course Attribute Search. To search for any Sector of Knowledge, type "College-Sector" into the Course Attribute Search.

7. A list of courses fulfilling “Cultural Diversity in the U.S.” will display in a second tile.

8. Click on any course to see course details.
9. Once you find a course that interests you, add it to a cart. If “Add to Cart” does not appear, click on the recitation or lab section and it should appear.

Note that you will not be able to access your “Primary Cart” until Advance Registration opens. When it does open, you will use your Primary Cart to submit your registration requests. See more information about how to rank and submit your requests on the College site.
