How to find General Education Requirements across the Intouch and @Penn systems

IGNORE THE DEGREE AUDIT & EXPLORE PROGRAMS FEATURES ON PATH: Since there are no spring courses in the new system and other degree requirement issues, these features will not give you an accurate assessment of the requirements you have met, and those that still remain for your degree plan. You should consult your Penn InTouch worksheet for the best assessment of your degree requirements.

1. Open your Official Worksheet on Penn InTouch. If you are a first- or second-year student, you may not yet have an official worksheet so open the most current, updated worksheet you have. Note which General Requirements you still need to fulfill in your degree plan.

2. Login to Path@Penn. Click on “Search & Register for classes.”

3. Click on “Login” in the upper right hand of the screen.

4. On the left-hand menu scroll down to Advanced Search.
5. Choose the Course Attribute search.

6. Search for a General Requirement you still need that you noted from the InTouch worksheet (e.g. Cultural Diversity in the US). You can simply type the name of the requirement and it should appear in the drop-down. Then click “Search.”

7. A list of courses fulfilling “Cultural Diversity in the U.S.” will display in a second tile.

8. Click on any course to see course details.
9. Once you find a course that interests you, add it to a cart. If “Add to Cart” does not appear, click on the recitation or lab section and it should appear.

Note that you will not be able to access your “Primary Cart” until Advance Registration opens. When it does open, you will use your Primary Cart to submit your registration requests. See more information about how to rank and submit your requests on the College site.
