# **Use "Explore Programs"**

## **To Learn About Majors**

You can use the "Explore Programs" feature to see what courses are required or recommended for particular majors of interest.

STEP 01

#### **Click "Explore Programs"**

after logging into Path@Penn.

#### STEP 02 Select a Program

Example: Political Science BA

STEP 03 Choose "Imagine This As My Program"

#### STEP 04 Click on the "General Education, Sectors" bar

to see which Sector of Knowledge this major automatically satisfies (ex: Political Science = Sector 1: Society)

### STEP <mark>05</mark> Click on the "Major" bar

to see what types of classes the major includes. You can then use that information to search classes.

If a course code is in blue and hyperlinked, it means it is being offered in the coming semester, and you can click on it to easily see the details about the course.
